Michigan Youth Arts in partnership with the Michigan Council for Arts and Cultural Affairs is proud to provide grants up to $500 for schools K-12 to assist with the cost of transportation to an arts and culture field trip destination. Please read the guidelines below to see if your destination qualifies.

WHO IS ELIGIBLE?
Arts and cultural destinations that are a non-profit organization. This covers a wide variety of destinations including museums, galleries, theatres, concerts, zoos, and more! Destinations must also have a dedicated field trip or educational program. For a full list of our approved destinations, please visit michiganyoutharts.org.

WHAT IF MY DESTINATION IS NOT LISTED?
If you are a teacher who doesn’t see the destination where you’d like to take your field trip, we suggest you ask that organization to contact us. We’d be happy to add them to as a destination as long as they meet our requirements. While waiting for destination approval, please select “other” while filling out your application.

HOW DO I ADD MY DESTINATION?
If your non-profit meets our guidelines, please fill out and return the form below to jennifer@michiganyoutharts.org.
