For many students, MYAF is the first weekend spent away from home. To ensure that everyone has a pleasant and stress-free experience, we’ve suggested a list of items that each student (staying overnight) should bring to the Michigan Youth Arts Festival.

Please note: Students will need to bring sheets, pillow/pillowcase, towels, and washclothes, **University resources are extremely limited** due to concurrent events on campus. Also note that all students will be housed in gender-specific dormitories, with shared community bathrooms/showers.
